

GRADING THE PUBLIC SCHOOLS

A GUIDE TO
THE CHART

- # RANK** • This list ranks public schools by overall score, from 1 to 255.
- SCH SCHOOL AND DISTRICT** • The statewide school system is divided into seven administrative districts, including O'ahu's **HON**olulu, **CEN**tral, **LEE**ward and **WIN**dward districts; the Big Island's **HAW**ai'i district; Maui, Moloka'i and Lāna'i's **MAUI** district; and the **KAU**a'i district.
- NCLB MET NCLB** • Indicates, Y (yes) or N (no), whether a school is in good standing under the federal No Child Left Behind Act of 2001 (NCLB), according to standards set by the state DOE. Missing AYP (explained below) for two years in a row can result in corrective sanctions, up to and including restructuring.
- AYP MET AYP** • Indicates, Y (yes) or N (no), whether a school has met the performance benchmarks that measure Adequate Yearly Progress (AYP) in math and reading, participation and proficiency, graduation/retention rates, as well as other educational indicators, such as teacher qualification.
- TEA TEACHER SATISFACTION** • Percentage of teachers who gave an overall positive response to the Satisfaction section of the DOE's 2012 School Quality Survey. The three questions were:
 - "I am satisfied with the overall quality of this school;"
 - "I am satisfied with how well my students are achieving the standards;"
 - "I am satisfied with my school's leadership."
- PAR PARENT SATISFACTION** • Percentage of parents who gave an overall positive response to the Satisfaction section of the

DOE's 2012 School Quality Survey. The four questions were:

- "I am satisfied with the variety of courses and programs offered at my child's school;"
- "I am satisfied with the quality of this school;"
- "I am satisfied with how much my child is learning at school."

STU STUDENT SATISFACTION • Percentage of students who gave an overall positive response to the Satisfaction section of the DOE's 2012 School Quality Survey. The questions included:

- "I am satisfied with the education I am receiving at my school;"
- "I enjoy coming to school;"
- "Overall, this is a good school;"
- "I feel my classes are preparing me for future education and work."

READ READING • Percentage of students whose proficiency meets or exceeds Hawai'i Content and Performance Standards (HCPS III) in Reading, the state DOE's base line for determining whether schools meet academic benchmarks under the federal No Child Left Behind Act.

MATH MATH • Percentage of students whose proficiency meets or exceeds Hawai'i Content and Performance Standards (HCPS III) in Math, the state DOE's baseline for determining whether schools meet academic benchmarks under the federal No Child Left Behind Act.

2013 2013 SCORE • Average of the five measures of satisfaction and student performance.

2012 2012 SCORE • As a comparison, we have also provided each school's overall score from last year.

2013 2013 GRADE • A letter grade, based on a curve.
