“We promise to be sensitive to anyone who has not had a dental visit in awhile.”

Ala Moana Dentistry’s mantra is “A Healthy Smile is a Lifestyle” because Dr. Watanabe knows that at least two regular visits a year to her office can prevent most dental problems.

Graduated valedictorian and selected by patients as a *Honolulu Star-Advertiser* Best Cosmetic Dentist, her new office is conveniently located in the heart of Ala Moana. “We make a trip to the dentist comfortable and easily integrated into busy lifestyles,” says Dr. Watanabe who provides conservative cosmetic dentistry to adults and children.

The office features Wi-Fi, iPads and fully validated parking. Prior to a first visit, Dr. Watanabe’s team reviews patients’ dental plans so questions about coverage can be answered. Estimates are discussed *before* treatment and interest-free financing is available.

Her office welcomes new and emergency patients and offers an incentive referral program that provides dental dollars towards future services. “We promise to be sensitive to anyone who has not had a dental visit in awhile,” says Dr. Watanabe.

For patients with a dental plan selecting an “in-network” dentist guarantees that you will be charged the same fees decided by your dental carrier. However, there is no guarantee that the level of patient care will be the same from dentist to dentist. Ala Moana Dentistry prides itself on providing outstanding dental care. Dr. Watanabe has been practicing for more than 15 years. Her office offers a highly trained team and the latest technology. If you do not have dental coverage, Dr. Watanabe knows the importance of making an investment in your health and will work with you to make high quality dentistry affordable.

“I am fortunate to participate in a profession that was recently ranked 5th out of all professions for honesty and ethics by the Gallup poll”, says Dr. Watanabe.

Dr. Watanabe is again honored to be included as a Best Dentist.
