Dr. Wade Takenishi and his staff are dedicated to providing high quality dental care. Specializing in painless dentistry, Dr. Takenishi's passion is restoring healthy smiles using technology and artistry. He brings cutting-edge technology to his practice to offer comprehensive dental care to patients of all ages. The friendly atmosphere at the office makes patients feel like they are part of the family.

Dr. Takenishi's team includes three highly trained members in his newly renovated office in Honolulu.

Keeping current with advances in technology and expanding his knowledge base with advanced education, has allowed Dr. Takenishi to offer dental implants, CEREC same day service crowns and veneers, VELscope oral cancer screenings, and laser treatments. Dr. Takenishi and his staff strive to ensure patients are comfortable during their visit. Patients can watch a movie while getting treatment done all in a dental massage chair.
